Audit Office, Ottawa, February 22, 1913.

Re Binder Twine.

Sir,—According to the return for December there were sales of binder twine outstanding, that is, unpaid, amounting to $5,674.90.

As this amount represents twine sold last season, there is no reason why it should not be paid by this.

You will no doubt see that it is all paid before close of the fiscal year.

I am, sir, your obedient servant,

The Deputy Minister of Justice. J. FRASER, *A.G.*

Justice Dept. Ottawa, March 21, 1913.

Sir,—Referring to your letter of 22nd ultimo, calling attention to outstanding binder twine accounts, I enclose herewith copy of a letter of explanation which I have received from the Accountant's office at the Kingston penitentiary, which I hope will afford the information which you desire.

I am, sir, your obedient servant,

E. L. NEWCOMBE, *D.M.J.*

The Auditor General.

Kingston Penitentiary, Kingston, Ont., March 18, 1913.

Inspectors of Penitentiaries,
Ottawa.

Gentlemen,—I have the honour to acknowledge the receipt of your favour of February 24 *re* outstanding binder twine accounts.

In reply I beg to say that this is largely a balance of the twine sold in 1911 under instructions from the then Minister, Sir Allen Aylesworth, and which was sold without cash having been received before delivery, and it all went into the Canadian Northwest.

Owing to the very wet season they had there, and consequent inability of farmers to harvest or market their grain, we were forced to carry over a large amount for which we hold approved notes, and which is being steadily reduced, over $500 having been paid in February. Some of this we may have to hold over until November of 1913, but I am satisfied that none of it will be lost.

I return you Auditor General's letter to the Deputy Minister on this matter.

Trusting this will be satisfactory, I beg to remain

Yours sincerely,

W. S. HUGHES, *for Acct.*

Appropriation for Steamer Applied to Purchase of Gasoline Launch.

Audit Office, Ottawa, November 20, 1913.

Sir,—In the Supply Bill of the fiscal year ended March 31, 1913, there is an appropriation of $75,000 for a Fishery Patrol Steamer for British Columbia.

According to the vouchers sent me the payments charged against this appropriation were for a gasoline launch.

I should like to have your explanation for thus utilizing a vote, which it seems to me, was explicitly provided by Parliament for a steamer—not for a gasoline launch.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

Dept. of Marine and Fisheries, Ottawa, November 26, 1913.

Sir,—I beg to acknowledge your letter of the 20th instant, calling attention to the fact that the appropriation of $75,000 in the Supply Bill for the fiscal year ended the 31st March last, was for the building of a fisheries patrol steamer for British Columbia, and intimating that according to the voucher the payments against the appropriation have been for a gasoline launch, and asking for an explanation as to why the vote has been thus utilized, in view of the explicit purpose for which it was provided.

In reply, I may explain that after this appropriation was procured, it was considered that the work the proposed steamer was intended to perform could be much better carried out by a number of gasoline boats. Hence, an Order in Council of the 16th of January, 1913, P.C. 77, was approved, authorizing the utilization of the appropriation for this purpose. I enclose a copy of the Order in Council herewith.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Acting D.M. M. & F.*

Extras Allowed at Prince Rupert.

Audit Office, Ottawa, September 30, 1913.

Sir,—The vouchers sent me in support of a payment of $13,120.40 made during the current fiscal year to the Pacific Construction Company by cheque A2840, contains an item of $10,261 for extras allowed by Order in Council.

These extras are in connection with the erection of a marine depot and other works at Prince Rupert, the contract for which was awarded by Order in Council to the Pacific Construction Company of British Columbia.

Will you kindly send me, at your early convenience, a statement showing in detail the extras covered by this amount and the written authority of the Minister authorizing them.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. JOHN GORMAN, *for A.G.*

Dept. of Marine and Fisheries, Ottawa, November 19, 1913.

Sir,—With reference to your letter of the 16th instant, *re* payment of $10,261 *re* the Pacific Construction Company *re* extras in connection with the erection of a marine depot and other works at Prince Rupert. In accordance with your request, I am sending you under cover statement showing in detail the extras covered by the above amount and the Order in Council authorizing same.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

Audit Office, Ottawa, November 26, 1913.

Sir,—I have to acknowledge receipt of your letter of 19th instant *re* payment of $10,261 to Pacific Construction Company for extras in connection with the erection of a marine depot, &c., at Prince Rupert and enclosing a statement of the items which make up the above amount. The information given in this statement is very meagre in most cases and not sufficient to enable me to determine whether the amounts should be allowed or not. For instance, No. 1: 'This is certified by Mr. Jennings—No. 6 and 7: Allowed by Mr. Jennings.' I shall require full details of these items and the reasons for allowing them. In the absence of further information I would say that No. 2 and 13 should not be paid. No. 13 was a charge made, evidently to suit the contractor, and No. 2 was caused by this change, No. 3 also to suit the contractor. No. 4: Was this outside of the contract, and why? No. 8: The fact of there being a loss to the contractor through oversight on his part is no ground for paying him for the loss. No. 9: The Government is not responsible for the heavy winds. No. 10: Full particulars required. No. 11: Full particulars required. Please furnish full information in all cases; otherwise the items cannot be allowed.

In future in cases of extras on a contract, withhold payment till after the claim has been audited and passed.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

Expenditure not Accounted for by Vouchers.

AUDIT OFFICE, OTTAWA, December 9, 1913.

SIR,—I beg to inform you that, in consequence of the continued delay on the part of the Biological Board in forwarding to this office the necessary vouchers in support of an advance of $21,000 made in its favour in the early part of the fiscal year 1912-13, I shall be obliged to omit all details of the expenditure made by the Board, from the report of this office for the past fiscal year.

Your Accountant has forwarded me a list of the cheques issued by the Board amounting to $19,086.30, but there is no record in this office of any refund of the balance of the advance having been made.

Will you please look into this matter at your early convenience?

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

Re Sault Ste. Marie Wharf.

Dept. Marine and Fisheries, Ottawa, January 11, 1913.

Sir,—In reply to your letter of the 31st October last, with reference to the collection of wharfage dues at Sault Ste. Marie, Ont., I have to inform you that returns and deposits on account of collections at this wharf have been received up to the 30th September last. Three months' collections are still due, and the wharfinger has been instructed that they must be forwarded at once.

I may say that steps will be taken to ensure the forwarding of the collections at this wharf to the Department every month in future.

I am, sir, your obedient servant,

The Auditor General.

C. STANTON, *Asst. D.M.*

Audit Office, Ottawa, March 27, 1913.

Sir,—In your letter of January 11 last, you stated that there were still three months' collections due by the wharfinger at Sault Ste. Marie, and that he had been instructed to forward the amount at once. So far it does not seem to have come to account.

Have you observed the marked falling off of gross receipts at this wharf during 1912 compared with previous year, and not much reduction in the expenses as shown herewith?

Your attention is requested.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. FRASER, *A.G.*

DEPT. MARINE AND FISHERIES, OTTAWA, March 31, 1913.

SIR,—I have your letter of the 27th instant, with reference to the wharf at Sault Ste. Marie, Ontario. No collections, or returns, have been received since those for September, 1912. It is expected that the collections and covering statements will be received very shortly, when they will be at once forwarded to you.

With reference to the falling off in receipts at this wharf, I may say that the same has been noted and inquiries are being made as to the reason of this.

I am, sir, your obedient servant,

The Auditor General. A. JOHNSTON, *D.M.*

DEPT. MARINE AND FISHERIES, OTTAWA, August 6, 1913.

SIR,—With further reference to your letter of the 27th March last, drawing attention to the marked falling off in the gross receipts at the Government wharf at Sault Ste. Marie for the year 1912, as compared with 1911, I am to inform you that the Department of Public Works began the reconstruction of this wharf early in 1912—this work will not be completed much before the close of the present season. The wharf was therefore not in shape to handle the traffic. Furthermore, the New Ontario dock, which is controlled by the Inland Lines, has much better accommodation than the Government, and the Inland Lines naturally send their vessels to their own dock. This dock, besides, operates a coal business both for domestic and steamboat use, which materially adds to their business.

Also, the New Ontario Dock Company does not charge side wharfage dues on steamers. This tax is taken very seriously by steamboat owners.

When the Government wharf is reconstructed and the dredging completed, it will be in a much better condition to handle freight, and the business done will, no doubt, be larger than in 1911.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Asst. D.M.*

Re Masters, Mates and Engineers' Certificates.

AUDIT OFFICE, OTTAWA, January 30, 1913.

SIR,—On the 6th of February last, you sent me a list of the certificates issued by your Department to masters and mates during the year ended December 31, 1911.

I wrote you on the 12th March that I had not received a corresponding list of the certificates issued to engineers of steamboats for the same period and requested that it be furnished with as little delay as possible. I also asked that in future you would kindly forward at the close of each quarter lists of certificates issued to masters and mates and also to engineers during that time.

In your reply of March 15 you stated that my wishes would be carried into effect, but so far no further lists have come to hand. I have to again draw your attention to the matter and hope you will find it convenient to forward these lists with as little delay as possible, in order that I may see that all fees are being properly accounted for by the different examiners.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

DEPT. MARINE AND FISHERIES, OTTAWA, March 8, 1913.

SIR,—I beg to forward herewith a list of certificates issued by this Department to masters and mates during the calendar year 1912. All the examination fees as shown by column 5 have been duly accounted for by the examiners, except those fees collected by the late examiner, Captain Moller, and which are not checked.

There is a considerable sum in fees that have not been accounted for by the late Examiner Moller. Taking the arrears of 1911 with those of 1912, the total amount of fees due by him is $448.50. Examiner Moller's services were dispensed with on the 1st March, 1912. At that time $180 was due him on account of office rent, which deducted from the amount $448.50 leaves a net balance of $268.50 due the Department.

For some time this Department has been endeavouring to obtain a settlement with Captain Moller, but not being successful, the matter has now been placed in the hands of the Department of Justice. Captain Moller is a property holder in Toronto, and the amount due can no doubt be recovered from him.

Examiners are of course instructed to account for their examination fees monthly. They are required to report monthly in respect of such fees whether any fees are collected or not, and I may state that the Department is very particular to see that its instructions in regard to accounting for fees are carried out.

The circumstances in Captain Moller's case were unusual. He was appointed examiner in 1906, and was allowed $300 per annum for his services as such. His duties as examiner took only a very small portion of his time, so that the greater part of his time was taken up with other matters. He frequently made trips to the old country and elsewhere. Captain Moller had, however, up to 1911, promptly accounted for his examination fees. In 1911 when he began to get behind with his fees, the Department had the greatest difficulty in locating him, as he seemed never to be in Toronto for any length of time at once. At the beginning of 1912, after a good deal of urging, he sent in returns for February and March, 1911, and these are the last returns received from him. As above stated, however, Captain Moller is quite a large property holder in Toronto, and it is not anticipated that there will be any difficulty in recovering the arrears in question.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Asst. D.M.*

Re Wharfs and Piers, Ontario.

AUDIT OFFICE, OTTAWA, November 6, 1913.

SIR,—The following wharfs show a falling off of revenue for the last fiscal year as compared with the previous year:—

	1911-12.	1912-13.	Decrease.
Blind River..	$585 37	$438 88	$146 49
Burks Falls..	53 18	......	53 18

Thessalon..	173 45	105 99	67 46
	$2,611 08	$1,624 97	$986 11

The rates charged for wharfage are exceedingly small and if collections have been made and reported on all goods landed or shipped, there must have been a great shrinkage in the business done at these wharfs during the last year. I shall be glad to know the reasons for these decreases.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

Re Wharfs and Piers, Nova Scotia.

AUDIT OFFICE, OTTAWA, November 13, 1913.

SIR,—I have to call your attention to the followign wharfs and piers which show a falling off of revenue for the last fiscal year as compared with the previous year:—

Kindly explain the reasons for these decreases.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

DEPT. MARINE AND FISHERIES, OTTAWA, December 17, 1913.

SIR,—With further reference to your letter of the 13th ultimo, in which you enquire why there is a decrease in collections of wharfage at the various wharves in Nova Scotia, I beg to say that in some cases it is accounted for by a decrease in the traffic; but in most cases it is due to the fact that the amounts collected are so small that the Wharfingers devote very little time to their duties, as their remuneration at the rate of 25 per cent of the collections is not considered sufficient by them for the work which it involves. A change in the Wharfingers has been tried but without satisfactory results. In many of these small places it is almost impossible to get any one to act as Wharfinger.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Acting Deputy Minister.*

Re Wharfs and Piers, New Brunswick.

Audit Office, Ottawa, November 13, 1913.

Sir,—I shall be glad to have your explanation in regard to the decrease of $640.05 in the collections reported from the following wharfs, during the last fiscal year as compared with 1911-12:—

	1911-12.	1912-13.	Decrease.
Black River..	$ 18 45	......	$ 18 45
Campbellton..	1,734 99	1,453 84	281 15

Gardiners Creek..	38 24	16 90	21 34
Petit Rocher..	11 42	......	11 42
	$2,418 39	$1,778 34	$640 05

I am, sir, your obedient servant.

The Deputy Minister of Marine and Fisheries. J. FRASER. *A.G.*

Dept. Marine and Fisheries, Ottawa, December 18, 1913.

Sir,—With further reference to your letter of the 13th ultimo in which you enquire as to the cause of decrease in the revenue collected at various wharves in the Province of New Brunswick, I beg to report as follows:—

Black River, N.B.:

The lumber business which used to be a good source of revenue has considerably decreased, and only pulpwood is now shipped from that point, and the company handling the pulpwood has its own wharf.

Campbellton, N.B.:

The explanation of the decrease in this case is that the freight shipped is loaded more by lighters now than formerly, and only side wharfage is collected, instead of top and side wharfage as previously.

Caraquet, N.B.:

The wharfinger reports that decerease in revenue is on account of decrease of freight shipped through s.s. 'Beaver.' and further, the fish merchants, having vessels of their own, land at their own wharves.

With reference to the few others mentioned in your letter, the explanation for the decrease of revenue has not yet been received in the Department, but will be transmitted to you as soon as received.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Acting Deputy Minister.*

Re Wharfs and Piers, Prince Edward Island.

Audit Office, Ottawa, November 13, 1913.

Sir,—The total cash receipts, which came to hand during the last fiscal year on account of wharfs and piers revenue, showed a considerable advance over the previous year's collections with the exception of Prince Edward Island, which showed a shortage of $161.83.

This difference is more than accounted for by the falling off of collections made at the following wharfs:—

	1911-12.	1912-13.	Decrease.
Charlottetown	$1,261 71	$698 69	$563 02
Red Point..	17 83	......	17 83
Sturgeon River..	15 68	......	15 68
	$1,295 22	$698 69	$596 53

I shall be glad to know the reasons for these decreases.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

DEPT. MARINE AND FISHERIES, OTTAWA, December 10, 1913.

SIR,—With further reference to your letter of the 13th ult., in which you inquire of the reasons for the decrease of revenue of some wharfs in Prince Edward Island, beg to report as follow:—

Charlottetown Wharf:

The collection of wharfage at that point depends entirely upon the number of trips made by the Department's steamers when in winter service. If the weather is favourable and the steamers are kept longer on the Charlottetown-Pictou route the amount collected will be larger than if, owing to weather, the steamers are removed to the Georgetown-Pictou route.

Sturgeon Wharf:

The present wharfinger writes that he started to collect wharfage only from June, 1913, and the former wharfinger who has been requested to explain matters has not yet replied.

Red Point:...

This is a very small place, and there never was much wharfage collected, but the wharfinger has also been asked for explanations, and so far no reply has been received from him.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Acting Deputy Minister.*

Re Wharfs and Piers, Quebec.

AUDIT OFFICE, OTTAWA, November 13, 1913.

SIR,—While the total revenue received from wharfs and piers, Quebec, during the last fiscal year showed an increase over the previous year of $920.17, there were fourteen wharfs from which no revenue came to account, and quite a number which showed a falling off in collections reported as compared with 1911-12.

The following list covers the principal cases in which the revenue has fallen below that of last year:—

	1911-12.	1912-13.	Decrease.

I shall be glad to know the reasons for these decreases.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries. J. FRASER, *A.G.*

Dept. Marine and Fisheries, Ottawa, December 10, 1913.

Sir,—With further reference to your letter of the 13th ult., in which you ask to be informed of the reasons for the decrease of revenue at certain wharfs in the Montreal District, beg to report as follows:—

Coteau Landing:

The decrease of revenue at that wharf is partly due to the difficulty in finding a wharfinger to accept the position for such small remuneration. However, this matter has been adjusted satisfactorily, and wharfage is now collected there. It is expected that it will show an increase of revenue this year over 1911-12 and 1912-13.

Coteau du Lac:

In 1911-12 the steamer 'Laurentia' used this wharf until about the 1st August, 1911, but stopped running on account of low water. For this consideration the commutation agreement completed at the beginning of the season for $40.00 was reduced to $20.00.

Since that time no regular steamer has been calling at the wharf, and freight is being landed or loaded at the canal docks.

Graham Wharf:

The amount of money collected at above wharf has increased, but what makes it appear as a decrease is the fact that the wharfinger's remuneration has been changed from 25 per cent to 50 per cent commission.

I am, sir, your obedient servant,

The Auditor General. C. STANTON, *Acting Deputy Minister.*
